All that I am today is by your grace.

The Divine is looking out for us, giving us the light, and taking care of our affairs.
The Divine is merciful, and never forgets us, guides us, giving us good people to help us.
The Divine does not allow hurt to come to us. I take comfort in the thought of the Divine.
When I remember the Divine, I feel peaceful and happy and all my pain departs.

Om – We offer our obeisances to
fragrant, three-eyed Lord Shiva who
enhances our thriving. May he liberate us
from the bondage of mortality, like the
fruit effortlessly separates from the vine

Om – May well-being be unto all.
May peace be unto all.
May fullness be unto all.
May auspiciousness be unto all.

May all be happy.
May all be healthy.
May all look to the good of others.
May none suffer from sorrow.
Lead me from the unreal to the real.
From darkness to light
From the illusion of death to the
realization of immortality.

Om – That is whole. This is whole. From
the whole springs forth the whole.
When taking the whole from the whole
what remains is still the whole.

Om Peace, Peace, Peace
Om divine teachers, we bow to you

“I cannot but
see you as my-self.
It is in the very nature of
Love to see no difference.”
